(About Me)

(A.D.)

Hi my name is Tony. I'm Italian & Mexican, 225lb, Hazel eyes, brown hair, 5 feet 10, with dimples that frame my smile. I like to think of myself as funny, positive, Open minded, and motivated. I enjoy staying in shape & learning new things. Everyone has a story, in mine, I made some mistakes living the fast life, and am now paying for them, as well as learning from them! Becoming better with my choices, and seeking positive friendships to surround myself with.

(Lookin for)

I'm looking for a friend, that is positive, Receptive, Carency & Open minded, to help bring smiles to my days. But most of all, a friend that will smile for me. Positive thoughts, & High Spirits, is everything to me. If your that person, feel free to Reach out, and bless me with your thoughts. New to this, but giving it a shot.

Tony*
