

Hi. My name is Sharon and I'm seeking a friend/companion. I'm a 32 year old lesbian. I have hazel eyes, long brown hair, and I'm 5'7". Some of my hobbies are beading, drawing, and reading a variety of books. I enjoy astrology too. I'm a Sagittarian woman born on Dec. 5th. I love animals, sports, movies, music & dancing, going to theme parks & festivals, cooking, celebrating holidays & B-days, shopping, and much more. I'm fun, energetic, down-to-earth, honest, helpful, spontaneous, respectful, affectionate, possess a great sense of humor, loyal, and passionate. Even though I'm in prison that doesn't make me a bad person nor define who I am. I am an extremely kind-hearted person that

made some mistakes due to some life altering things that took place unexpectedly. I'm looking to love and be loved unconditionally, (not with conditions.) Hope to hear from you soon.
