Hello my name is Mundo. I'm 36 yrs old and I'm from Las Vegas, NV. I've been incarcerated for 3 yrs 8 mos. I have a 5yr sentence for robbery.

A few things I do to stay busy is read, write, draw, exercise and play handball. I take classes for computer applications, Technical Math and Vocational Dry Cleaning.

I love to talk, write and laugh. I'm looking for a female friend to open up with and get to know. I want a friend who is honest, caring and a good listener.

I get out next year and plan to go back to Las Vegas and finish my degree in Welding.

I have a 15yr old daughter and an 11yr old son. I love to cook and listen to music. I like slow jams, R&B and Rock.

If you're interested in writing me I promise to make you smile with each letter. If you have any questions please ask.

Respectfully,
Mundo
