Hi

my NAME is MICHAEL. And I would like to thank you for taking the time to view my personal ad. The main reason why I decided to post this personal ad, is that I wanted to open up the possibility of meeting new and interesting people; I love socializing and learning about new people. Friendship make an individual wealthy, and it is friendship that I am presently interested in pursuing.

I've been thinking of how to best define who I am as a man in just a few short words, but I do consider myself a good man. I am very open, and open to constructive criticism of myself. I do enjoy exercising, writing letters, conversation, reading, cooking, sports, music, and other eclectic pursuits. I am intelligent, original, down to earth, and believe in honesty and loyalty to family, friends, and loved ones. I offer these, and myself in a shared experience of thoughts and ideas in the dynamic exchanged found in developing an interpersonal connection. I would like to share, my mind and soul with any who would take the time to truly get to know the man I am.

I'm looking to reach beyond my confinement so that I can establish some form of communication in order that I can meet someone on common ground. Prison is undoubtedly a terrible place to be in under any
