December 9, 2009

ROOSEVELT -- A former nurse at a facility for troubled teens in Roosevelt is now accused of sexually abusing some of them.

Geary David Oakes is charged with forcible sexual abuse and forcible sodomy in connection with alleged sex acts with two of his 15-year-old charges.

One of the alleged victims claims Oakes gave him pain medication in exchange for sex.

Oakes was fired after the charges were filed. He is now being held at the Duchesne County Jail.
