First off I am a white male 34 years old born August 12, 1977 in Charleston, South Carolina. I have brown hair blue eyes and I weigh about 220 lbs. I am constantly working on being physically fit. I'm a Christian also. The reason I'm in prison is because I was using drugs which led me to be paranoid and carrying a gun which I was charged with ex-felon possession of firearm. I am currently serving a 1st 6 and I have a year left till I expire my sentence August 22, 2013. The reason I'm writing this site is because I'm looking for friendship and possibly more. I'm searching for people who have their lives together and like to do things in life like outings and recreational things not people who do drugs and are low lifes. I'm trying to stay out of here and be a better person and the only way I can do that is to meet new people who do positive things in life. I'm searching for supporters all are welcome. No picture at this time. I will have one in like two weeks when I receive my money.

I have 3 supporters out there my
grandparents and my son RJ he is
13 years old my grandparents have
custody of him while Im away
by the way I live in Las Vegas, NV
thats where I'll be going when I
get out also I go by "JOE" my
full name Ronald Joseph Myers # 84298
So if your interested in being a
friend pen-pal or possibly more please
feel free to write me.

Sincerely JOE Myers
