History

With the sincere desire to help the lives of troubled children, the Agapé Boarding School (a ministry of Agapé Baptist Church), was born. It was founded in April, 1990, by James and Kathy Clemensen, along with their son and daughter-in-law.

The ministry first began in the Clemensen's home. It was just a year and a half after taking in their first boys that their enrollment had grown to 14 students. Their home/school had outgrown its space. By October of 1991, the opportunity arose for the school to move to Othello, Washington, onto a decommissioned Air Force base, where the school quickly grew to 160 students.

Early in 1995, Agapé Boarding School realized they needed to search for a different, more desirable and permanent location. In May of 1995, the size of the school was reduced to 30 students as their search for a new campus began. Finally, in April of 1996, the "ideal" location was found, and Agapé was moved to Stockton, Missouri, where it opened with an enrollment of 40 students. In only one year, the school's attendance grew to 110 students.

Truly God has been good to us. With His help, Agapé plans to continue to help as many teens as possible.

Today, Agapé is a beautiful 200 acre campus!

Introduction

Enrolling your son in Agapé Boarding School is very likely one of the most difficult things you will ever have to do. Do you remember the hopes and dreams you had for your son when he was just a toddler? You wanted so much for him back then, just as you still do. But something has happened since those early days, that was not a part of those hopes and dreams. Somewhere along the way that young boy you care so much about began to make some unwise choices and began to exhibit attitudes that have caused your heart to drop in sorrow.

Agapé Boarding School may seem like the last hope for a change in your son's way of thinking and living. Now you have decided to pack up some of his belongings, move him out of your home, and place him in an environment that will be strange and new to him. This tears at your emotions and, in fact, breaks your heart. Yet, you know down deep that it must be done if you are ever to realize the dreams you once dearly held for that boy.

The staff at Agapé recognizes how closely each boy enrolled corresponds to a story very similar to yours. Every boy is a precious son that a mother and father care very much about and have taken heartbreaking measures to ensure that he gets a second chance. The parents care enough that they are willing to spend considerable sums of money and separate themselves from their boy until, in his heart, he feels the same toward his life and future as his parents do.

More than likely, your son does not like the idea of leaving home any more than you do. He's afraid of leaving the security he has always felt, and he doesn't look forward to meeting strange people in a place far from home. Nor does he want to leave behind his old friends. When he arrives at Agapé Boarding School, he will soon find that he must follow directions. He will learn to obey authority. He will have to wear different clothing than before, and have a haircut to which he most assuredly will object. Your son will be required to exercise good manners. This, along with the new environment and the different peer pressure, will soon begin to change his behavior. Within just a few weeks he will seem like a different boy. Your son will appear to be totally changed from the troubled boy he was before arriving at Agapé Boarding School.

If you were to come visit him at that time, you would be delighted and probably satisfied with the hard decision you had to make when you chose to bring him to Agapé Boarding School. And when you have the opportunity to make your first visit, you will fully understand this phenomenon. It seems to happen with each family.

Purpose and Goal

Agapé Boarding School's purpose and goal is two-fold. First, we want to work with each individual. We strive to change a rebellious and out of control boy into a God- honoring and parent- honoring young man; to be an honest, hard-working asset to the community in which he will live, with God's help. We also desire to help him achieve a personal walk with God.

For the young man whose relationship has been destroyed with his parents, we help to repair and rebuild that relationship. Instead of the student quitting or resorting to the "easy" solution, the staff at Agapé work with these young men in order that they may find the right answers to their problems.

Secondly, Agapé Boarding School provides a college preparatory program that will prepare him for his chosen vocation in life. Our school helps your son to achieve an academic level of skills so that he may receive the credits needed for his diploma. This program serves both the student of high academic ability through an accelerated progression to college-level courses, as well as the student of more modest abilities through a flexible curriculum that allows the time for mastery of fundamental concepts and skills.

Our sincere desire and goal is to encourage and nurture respect, self-discipline, leadership, and creativity in the young man's life, whether academic, religious, social, athletic, musical, or extracurricular.

Agapé Boarding School's Statement of Non-Discrimination

Notice of Non-Discriminatory Policy as to Students

The Agapé Boarding School admits students of any race, color, or national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarships, loans, athletics, or administered programs.

Beliefs

1. The Bible

We believe that the Bible as given in the King James translation is the eternal, infallible, inerrant, verbally inspired Word of God. We believe that it is essential to proper living on the Earth and that it is the only guide to salvation and ultimately, to Heaven.

2. The Deity of the Lord Jesus Christ

- A. His Virgin Birth (Matt. 1 :23; Luke 1 :32, 35)
- B. His Sinless Life (Heb. 7:26; I Peter 2:22)
- C. His Miracles (Acts 2:22; 10:38)
- D. His Substitutionary Work on the Cross (I Cor. 15:3; II Cor. 5:21)
- E. His Bodily Resurrection from the Dead (Matt. 28:6; Luke 24:39; I Cor. 15:4)

3. The Fall Of Man

Man was created good and upright. For God said, "Let us make man in our image, after our likeness." Man, by voluntary transgression, fell and thereby incurred not only physical death, but also spiritual death, which is separation from God. (Gen. 1 :26,27; 2: 17; 3:6; Rom. 5:12-19)

4. The Salvation Of Man

Man's only hope of redemption is through the shed blood of Jesus Christ, the Son of God.

A. The Conditions of Salvation: It is received by repentance toward God and faith toward the Lord Jesus. By the washing of regeneration and through the renewing of the Holy Ghost being completely justified by grace through faith, man becomes an heir of God according to the hope of eternal life. (Luke 24:47; John 3:3; Rom. 10:13-15; Eph. 2:8; Titus 2:11,3:5-7)

B. The Evidence of Salvation: The inward evidence of salvation is the direct witness of the Spirit (Rom. 8:16). The outward evidence to all men is a life of righteousness and true holiness. (Eph. 4:24; Titus 2:12)

Agapé Boarding School is a ministry of Agapé Baptist Church. The Pastor and Board are the final authority on all matters.

Church & Chapel Attendance

The student body of Agapé Boarding School is required to attend the services of the Agapé Baptist Church of Stockton, Missouri. This church is located on the campus of Agapé Boarding School. The student body of Agapé Boarding School is also required to attend all chapel services.

Behavior & Discipline

Agapé Behavior Scale (Shirt

(Level 1) Orange Shirt

This status is to orientate a young man to our program. Upon arrival a student is assigned to another more trusted student to help “guide” them and help them adapt to our program. A new student is to be 3 feet from his guide at all times. A new student is required to take diagnostic tests for school + write a quality letter home + memorization (5 expectations/Psalm 23/and the books of the Bible). Typical orange shirt time is 7-14 days.

(Level 2) Yellow Shirt

This status (also known as “floaters”) is designed to further promote progress in a young man by encouraging positive behavior. A yellow shirt no longer has a guide and has a bit more freedom to make decisions. We observe how he functions with less direct supervision. He is required to maintain a level of cooperation + a limited number of negative write-ups to be considered for promotion. Typical yellow shirt time is 7-14 days

(Level 3-5) Burgundy Shirt

This status (considered our trust level) is designed to further promote progress in a young man by encouraging positive behavior + opening up opportunities/ benefits to the young men (rec. areas/ golf tournaments/ etc.). A burgundy shirt is required to maintain a level of cooperation + a limited number of negative write-ups to remain a burgundy. At this level students are required to maintain a certain level of schoolwork to remain a burgundy. There are 3 levels to attain while burgundy: private (3), corporal (4), sergeant (5) and these are all attained by time and maintaining grade.

(Level 6) Red Shirt

This status (considered a leadership level) is designed to further promote progress in a young man by encouraging a young man to lead. A red shirt is required to maintain a level of cooperation + a limited number of negative write-ups to remain a red shirt. At this level students are required to maintain a certain level of schoolwork to remain a red shirt. There are 2 levels to attain while a red shirt- sergeant major and lieutenant and these are all attained by time and maintaining grade.

(Level 7) Grey Shirt

This status (or captain - our top leadership level in our program) is designed to further promote progress in a young man by encouraging him to lead. A captain is required to maintain a level of leadership + a

limited number of negative write-ups to remain a captain. At this level students are required to maintain a certain level of schoolwork to remain a captain + be a good example to the young men.

(Level 0) Brown Shirt

This status is for students who require extra remediation on a longer term basis (typically 3 to 7 days). This shirt color from yellow, burgundy, or red requires dean consensus. Browns are promoted back to orange, yellow or burgundy upon demonstration of compliance to school rules and norms. Given the duration of this status and its intense nature, this shirt should be difficult to earn in the progression of discipline. It includes a daily regimen of exercise, drill, and character training conducted by select staff members outside of the learning center. Extra effort is made to sequester these students as a group and focus on behavior modification and their walk with God. Browns do have student guides and are under the close supervision of select staff assigned on a daily and weekly basis. All meals are brought to browns and are not to deviate from the menu below without express permission from Mr. Dumar, Mr. Sandoval, or Mr. Clemensen.

(Level 0) Light Blue Shirt

This status is designed for students who are failing to make the required academic progress. A light blue shirt has many of the restrictions that a brown shirt has, however there is more emphasis and opportunity to make academic progress.

Various Consequences:

1. **Verbal Correction**
2. **10 pushups**-The standard discipline for all rule or norm infractions is ten (10) pushups
3. **20 pushups**- If the student talks back or displays negative attitude when given “ten”; the staff member or ranking student may give another 10(20).
4. **Write-up**- If the student continues talking back or continues to display negative attitude past 20 pushups a “write up” turned into the dean of men is the next step. “Write-ups” can be for documentation of a student’s negative behavior or an “FYI” for the dean of men/ Agapé to be aware of and consequences then given.
5. **20 or more pushups**- consequence only to be given out by staff
6. **8-counts**- consequence to be performed in place of pushups (10-20-write-up) for more serious infractions, Dean of men may give out more than 20 following a write-up.
7. **Wall Time**- student standing facing a wall with encouraging scripture help; giving them a “personal time-out” to regain focus or composure and are reviewed daily by the dean.
8. **Time Out**- Time spent under direct supervision of a staff member + 1 more individual in the event of extreme negative (or struggling) behavior in our time-out room.
9. **Packets**- A list of various academic basics to be written by student as a help/reminder to show self-control in school, initially starting at 1 per infraction and more added/subtracted based on behavior + school principal approval to help remind student of our expectations in school.
10. **Demotion/Promotion**- Agapé Behavior Scale demonstrates the levels a student goes through during his stay at Agapé

Academic Information

Transfer of Credits/Accreditation

When a student is enrolled at Agapé Boarding School, we will contact his former school with a written request for a transcript. If we do not receive a transcript from the school, we will contact you and you will be responsible for getting an official transcript sent to us by mail. Upon receipt of the student's transcript, the transcript will be reviewed by the school administration.

If the student receives a diploma from Agapé Boarding School and all of the financial responsibilities have been paid in full, the school will issue a completed transcript to any institute for further education (i.e., universities, colleges, technical or trade schools, military, etc.), upon the request from the student or the receiving institution. The first two transcripts will be issued free of charge. After the first two, there is a \$10.00 charge which will need to be paid before the transcript is issued.

Diagnostic Testing

When a student enters the Learning Center, he will be given diagnostic tests in Math, English, Social Studies, and Science. These tests will determine where the student is placed in each academic subject. Usually a student will have "learning gaps" that need to be filled. We will fill these "gaps" and then the student can continue at his grade level.

Curriculum

Agapé Boarding School utilizes the School of Tomorrow Curriculum. We are a Christian based, "character-building" school, and this is reflected in our curriculum.

Accreditation

Agapé Boarding School is an accredited school through Accreditation International, The National Council for Private School Accreditation, the Association of Christian Teachers and Schools, and AdvancED. As a result, students graduating while attending Agapé Boarding School will receive a validated diploma and transcript. Those not graduating can transfer credits to other schools.

Required Credits for Diploma:	
Honors =	30 Credits (3.5 GPA)
College Preparatory =	28 Credits
General =	25 Credits
Please Note: There is no leaving during a semester. Graduates can not come back for graduation.

From the Founder of Agapé Boarding School

Jim Clemensen
(Pastor/Administrator)

At Agapé Boarding School we are, with the Holy Spirit's help, trying to develop a self-disciplined teenager who is submissive to the Word of God and the Will of God. We work with the student to help form good habits in the students, such as: A cheerful obedience to authority; responsibility in doing assigned or expected tasks; cooperation with others in work or play; courtesy and respect for others; cleanliness in person and property; truthfulness and honesty in work and life; promptness in attendance and assignments; morally good conduct in respect to language, recreation, and social relationships; and respect due to parents in communication by mail or telephone.

There are certain rules that are necessary for efficient operation of the school. Every student attending Agapé Boarding School must operate within the framework of the school's rules and policies.

Agapé Boarding School Policies

STUDENT CONDUCT

Students are expected to conduct themselves in such a manner as is becoming of a Christian. Each student should remember that their behavior reflects not only the school, the church, their family, and themselves, but also the Saviour. Students should place Jesus Christ first in all thoughts and actions. They should maintain a consistent testimony and dedicate themselves to the will of God. Worldly habits, disrespect for the staff or school, a sullen or negative attitude, or any other evidence of a lack of cooperation is not permitted.

DORM CONDUCT

Dorm Rules are listed in each dorm or division. Every student must become familiar with these rules as rules are added or changed often. All rules should be obeyed at all times. If one or more rules are broken, there will be a discipline for each broken rule.

HAIRCUTS

Hair will be worn off the ears and off the collar (tapered sides), and back. All haircuts must meet the approval of the Agapé staff. We believe a man should look like a man. The Bible says "it is a shame for a man to have long hair". This is why we do not allow long hair on our students. This rule is upheld by our staff and administration.

CLOTHING

Worldly clothing is not allowed to be worn by our students. We require our students to be dressed in Agapé uniform. The uniform is supplied to the students by Agapé,

Financial Information

The education and development of your son involves some of the most difficult and challenging decisions you will face. By considering Agapé Boarding School, you are thinking of an independent school as an alternative. Your child's education represents a significant financial investment. In weighing this choice, we suggest that you consider the fact that Agapé Boarding School is a boarding school and, therefore, your investment includes the majority of your son's needs, such as tuition, housing, food, etc. A significant portion of these costs would also be incurred if he were at home for the school year.

The following discussion summarizes your financial obligations connected with enrolling your son in Agapé Boarding School. It is presented here, in some detail to avoid any misunderstanding regarding payment of fees and financial responsibilities.

PROMPT PAYMENT OF TUITION

Agapé Boarding School is a private, non-profit organization. Thus, the school is dependent upon prompt payment of tuition and other charges.

PLEASE NOTE: AGAPÉ BOARDING SCHOOL reserves the right to withhold and refuse to disclose the child's transcripts, grade reports, or any other form of assessment, to secure the payment of any outstanding tuition or expenses, subject to provisions for automatic stay under the United States Bankruptcy Code.

Effective August 1, 2015

Agapé Boarding School strives to deliver the best possible training, both spiritually and educationally, at the most reasonable price possible. Tuition and fees are geared to cover the regular operational expenses of the program. We urge parents and others to consider that Agapé Boarding School, as a ministry of Agapé Baptist Church, is exempt from federal income tax under section 501 C (3A) of the Internal Revenue Code as an organization described in section 501 C (3A); therefore, any donated cash and/or property may be deducted from the donor's federal income tax.

Tuition is \$3,250 per month, for a total of \$39,000 for a year. Tuition includes room and board. In addition, parents are responsible for enrollment fees of \$2,900. On the day that the student arrives, the parents must pay for the first month's tuition in advance and the enrollment fee of \$2,900 for a total of \$6,150.

This amount would be paid upon arrival. Subsequent monthly tuition payments of \$3,250 are due within 30 days of arrival and every month thereafter. Please plan for your payment to arrive no later than the due date. There is no "grace period". Late charges for chronically late payments may be assessed.
